

- Read the scenarios and controlling scripts below
- Write an assertive script to replace the controlling script

Scenario 1: Tom is working on a school project. He needs the stapler but someone else is using it.

Controlling script: *"Put that down! You're hogging the stapler, and I need it now!"*

Assertive script:

Scenario 2: Yasmine is playing a game at lunchtime but she doesn't like one of the rules.

Controlling script: *"That's not the rule! Stop doing that or I won't play anymore"*

Assertive script:

Scenario 3: Tom and Yasmine always sit in the same spot, but today a new pupil is sitting there.

Controlling script: *"You can't sit there - it's our spot. Go find another table right now"*

Assertive script:
